### Complaints and concerns process for students

Serpell Primary School acknowledges that issues or concerns can cause stress or worry for students and impact their wellbeing and learning. Serpell Primary School encourages our students to raise issues or concerns as they arise so that we can work together to resolve them.

## Serpell Primary School Complaints Policy

Students with a concern or complaint can raise them with a trusted adult at school, for example, with your classroom teacher, Year Level Coordinators, Wellbeing staff, Koorie Education Support Officers, Multicultural Education Aides, Education Support staff, Assistant Principal or Principal. This person will take your concern or complaint seriously and will explain to you what steps we can take to try to resolve the issue and support you. You can also ask your parent, carer, or another trusted adult outside of the school, to talk to us about the issue instead. Information about our parent/carer complaints and concerns process is outlined further below. The parent/carer process also applies to students who are mature minors, refer to: [Mature Minors and Decision Making](#).

Other ways you can raise a concern or complaint with us include:

- talking to a member of the student school council about your concern and any suggestions you have for resolving it
- participating in our Attitudes to School Survey (for Grades 4-6)

### Complaints and concerns process for parents, carers, and community members

#### *Preparation for raising a concern or complaint*

Serpell Primary School encourages parents, carers or members of the community who may wish to submit a complaint to:

- carefully consider the issues you would like to discuss.
- remember you may not have all the facts relating to the issues that you want to raise.
- think about how the matter could be resolved.
- be informed by checking the policies and guidelines set by the Department and Serpell Primary School (see 'Further Information and Resources' section below).

#### *Support person*

You are welcome to have a support person to assist you in raising a complaint or concern with our school. Please advise us if you wish to have a support person to assist you, and provide their name, contact details, and their relationship to you.

#### *Raising a concern*

Serpell Primary School is always happy to discuss with parents/carers and community members any concerns that they may have. Concerns in the first instance should be directed to your child's teacher or Year Level Coordinators. Where possible, school staff will work with you to ensure that your concerns are appropriately addressed.

#### *Making a complaint*

Where concerns cannot be resolved in this way, parents or community members may wish to make a formal complaint to the Principal or Assistant Principal, noting that formal complaints should be directed to a member of the school's leadership team.

If you would like to make a formal complaint, in most cases, depending on the nature of the complaint raised, our school will first seek to understand the issues and will then convene a resolution meeting with the aim of resolving the complaint together. The following process will apply:

## Serpell Primary School Complaints Policy

1. *Complaint received:* Please either email, telephone or arrange a meeting through the front office with the Assistant Principal or Principal, to outline your complaint so that we can fully understand what the issues are. We can discuss your complaint in a way that is convenient for you, whether in writing, in person or over the phone.
2. *Information gathering:* Depending on the issues raised in the complaint, the Principal or the Assistant Principal may need to gather further information to properly understand the situation. This process may also involve speaking to others to obtain details about the situation or the concerns raised.
3. *Response:* Where possible, a resolution meeting will be arranged with the Assistant Principal or Principal to discuss the complaint with the objective of reaching a resolution satisfactory to all parties.
4. *Timelines:* The School will acknowledge receipt of your complaint as soon as possible (usually within usually within two school days) and will seek to resolve complaints in a timely manner. Depending on the complexity of the complaint, time may be needed to gather enough information to fully understand the circumstances of your complaint. We will endeavour to complete any necessary information gathering and hold a resolution meeting where appropriate within 10 working days of the complaint being raised. In situations where further time is required, the school will consult with you and discuss any interim solutions to the dispute that can be put in place.

Please note that unreasonable conduct (e.g., vexatious complaints) may need to be managed differently to the procedures in this policy.

### *Resolution*

Where appropriate, Serpell Primary School may seek to resolve a complaint by:

- an apology or expression of regret
- a change of decision
- a change of policy, procedure, or practice
- offering the opportunity for student counselling or other support
- other actions consistent with school values that are intended to support the student, parent and school relationship, engagement, and participation in the school community.

In some circumstances, Serpell Primary School may also ask you to attend a meeting with an independent third party or participate in a mediation with an accredited mediator to assist in the resolution of the dispute.

### *Escalation*

If you are not satisfied that your complaint has been resolved by the school, or if your complaint is about the Principal and you do not want to raise it directly with them, then the complaint should be referred to the North Eastern Victoria Region.

Serpell Primary School may also refer a complaint to North Eastern Victoria Region if we believe that we have done all we can to address the complaint.
