CANTEEN LUNCH ORDER PROCEDURES

The canteen operates every school day (9am – 1pm) to provide lunches as well as being open for counter sales at both recess and lunch time. Students are able to purchase some “snack/treats” items across the counter at recess or lunch only.

Class Tub ordering

When ordering through the classroom lunch tub please place money (correct amount when possible) in a paper bag with your child’s name, grade and order on the front. If you do not have a bag please include an additional 20 cents.

Should your child have a food allergy please note **“ALLERGY”** in **RED** on the front of the lunch bag so that the order can be handled appropriately.

PLEASE BE AWARE THAT SOME OF OUR FOOD MAY CONTAIN OR COME IN CONTACT WITH COMMON ALLERGENS, SUCH AS DAIRY, EGGS WHEAT, SOYBEANS, TREE NUTS, PEANUTS, FISH, SHELLFISH OR WHEAT. We cannot guarantee that your menu item is free of common allergens.

The canteen has a folder which consists of all products sold at the canteen listing all ingredients.

This is readily available for viewing by all concerned.

Parents of students with allergies will be asked to visit the canteen to check which products may be safe for their child to consume.

Please do not use staples or excessive sticky tape.

Please explain to your child that any change due will be taped to the inside corner of the lunch bag so that they know not to throw their bag away with the change inside.

The canteen staff endeavours to fill all lunch orders however on rare occasions this is not possible. The reasons vary but may be due to insufficient money enclosed in the order, lunch order handed in late, a particular item being unavailable from a supplier, or a delivery being unavoidably delayed-in these cases a substitution may be necessary.

Frozen treats: Children ordering frozen treats will need to present their stamped lunch bag to the canteen in order to collect their frozen items. Please explain this system to your child so that they know to bring the lunch bag back to the canteen to collect their item and not throw their bag away.

Please let your child know that if they have any problem with their lunch order to return to the canteen with their lunch bag so that any issues can be immediately rectified.

The canteen management has formulated the procedure for emergency lunch in consultation with the school. If a child does not have any lunch and has no money to purchase food, an emergency lunch (sandwich and fruit) is authorised by the school office. A note is sent home via the student advising the cost of the order and it is expected that any money due to the canteen be paid the next school day.

PAYMENT IS REQUIRED BY FOLLOWING DAY IN ORDER FOR THIS SERVICE TO CONTINUE.

Should you have any queries please visit the canteen between 9-1pm.
